After you've finished reading, read it again: Are there things you didn't notice the first time reading the text? Does the text leave some questions open-ended? Imagine the author is sitting across from you: what would you ask them about the text? Why? If the text is visual in nature, try these extra tips: What first strikes you about the ...

Active Reading - About Writing: A Guide - Open Oregon

Once you start reading a text, think about what conversation it belongs to and try to enter into it. One way to enter into the text's conversation is to approach a text from two angles: First, as an open-minded believer who acknowledges the text's power, and then, as a skeptical doubter who tries to find weaknesses in the author's argument.

Tips for Active Reading | Guides - The Writing Center

Active reading has many benefits. First and foremost, through previewing, reading, and reviewing, it gets you involved in the material. When you read to collect data and retain information, active reading skills act as a catalyst for critical thinking skills that must be applied in a systematic way.
