Other Telephone Enthusiast & Resource Websites. A list of other telephone enthusiast & resource websites similar to Telephone World: Bell System Memorial - Website created as a memorial to the people, history, technology and the "Spirit of Service" of what was known as the "Bell System" prior to 1984. Originally by David Massey, now operated by Ben Jackson.

Telephone World - Telephone Related Links

A telephone exchange is a telecommunications system used in the public switched telephone network or in large enterprises. An exchange consists of electronic components and in older systems also human operators that interconnect (switch) telephone subscriber lines or virtual circuits of digital systems to establish telephone calls between subscribers. In historical perspective
