As AACN works to promote its mission and vision, it is guided by values that are rooted in, and arise from, the Association's rich history, traditions, and culture. AACN's members, volunteers, and staff will honor the following.

About American Association of Critical-Care Nurses - AACN

Constructivist teaching is based on constructivist learning theory. Constructivist teaching is based on the belief that learning occurs as learners are actively involved in a process of meaning and knowledge construction as opposed to passively receiving information. Learners are the makers of meaning and knowledge.

Constructivist teaching methods - Wikipedia

The American College of Financial Services is a nonprofit educational institution with the highest level of academic accreditation, dedicated to creating leaders within the financial services profession through superior instruction.
