The BJU biology faculty is truly unique. Each holds a PhD in a specialized area of biology, brings a unique set of research experiences to the classroom, and is committed to a biblical philosophy of science including a firm belief in a recent six-day creation. Significant hands-on opportunities.

Biology, BS | Bob Jones University

Despite the persistently mixed reviews for Bob Jones science, one theme consistently emerges—if you don't want to spend time personally teaching your kids science every day, don't buy this curriculum. Like all Bob Jones curricula, this one is heavily slanted toward a classroom setting and you can forget about letting your student teach himself.
