Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...

Management - Wikipedia

The business judgment rule is a case law-derived doctrine in corporations law that courts defer to the business judgment of corporate executives. It is rooted in the principle that the "directors of a corporation... are clothed with [the] presumption, which the law accords to them, of being [motivated] in their conduct by a bona fide regard for the interests of the corporation whose affairs ...

How much live action actually occurs in each major sport? Note: if you've found this and want to make a comment about how football is such a more exciting sport than soccer, or think this is some sort of anti-football post ... then you're missing the point. This is about LIVE ACTION stats and the viewing experience. If you love Cricket, you'll sit there for 5 hour test matches where there ...
