Mitosis Vs Meiosis Worksheets - Teacher Worksheets

It's very important to recognise command words in the exam and then to tailor your answers to the instructions given to you by these command words.. State (or give or name) . Take, for example, the picture of the girl. You could state that this is a girl. In the context of an exam question you may need to state the part of the body that produces bile.

Command words in GCSE Biology - My GCSE Science

(a) What can you say about inviable? Is there anything odd about its position? Show, or briefly explain, how you arrived at your answer. As the name implies, inviable seems to be lethal. This is evidenced by the recovery of large numbers of the inv + parental chromosomes (Bar phenotype) and very few of the Yellow phenotype expected for the other parental inv chromosome.

The secondary science program is guided by the vision that all students have the opportunity to develop scientific literacy. The goal of scientific literacy is to develop the science-related knowledge, skills and attitudes that students need to solve problems and make decisions, and at the same time help them become lifelong learners - maintaining their sense of wonder about the world around them.

What Muslims do is the opposite: they have the "theory" that their Qur'an is Allah's direct word (which was revealed and passed on to Muhammad's mind, then dictated by him and written in the Qur'an), and then they try to find the data that — they think — support their theory. That's an entirely unscientific endeavor.
