The Dodge Challenger is the name of three different generations of automobiles (two of those being pony cars) produced by American automobile manufacturer Dodge. However, the first use of the Challenger name by Dodge was in 1959 for marketing a "value version" of the full-sized Coronet Silver Challenger.. From model years 1970 to 1974, the first generation Dodge Challenger pony car was built ...

ATS Diesel Performance

The Dodge B series was a range of full-size vans that were produced by Chrysler Corporation from 1971 to 2003. Through their production, the full-size vans were sold under several different nameplates. Most examples were sold by the Dodge division, although rebadged versions were sold by the now-defunct Fargo and Plymouth divisions. Despite many customer requests, the Dodge Ram van was not ...
