Staff and line are names given to different types of functions in organizations. A "line function" is one that directly advances an organization in its core work. This always includes production and sales, and sometimes also marketing. A "staff function" supports the organization with specialized advisory and support functions.

Staff and line - Wikipedia

Management & Organisational Behaviour Pdf "This really is a classic text which. . .is very detailed, well-structured and especially well-designed from a learning standpoint." "Management and Organisational Behaviour has supplied an outstanding resource for students over several decades. . .the writer go out of the way to add extra study evidence/key frameworks and concepts which aren't ...
