Which theories & explanations make the most sense? So far, the two leading theories are that we're "sliding" between parallel (or similar) realities, or that we've visited holodecks (and may be in one, right now) that have some glitches. However, those concepts are broad. I've been trying to narrow the possibilities. Initially, I've been searching ...

Famous for: Dictator of the Soviet Union The reality: Although the Communists presented him as a grandfatherly figure, an image still surviving today, he began the Soviet Union's descent into massive political violence. "You can't make an omelet without breaking a few eggs," as he put it. He wasn't nearly as bad as his successor, though if he'd lived longer he might well have been.
