

Lister Engine

It is set up for Marine power unit, or could be used in other applications. We have over (50) other Lister Petter engines both Diesel and Propane/Natural Gas, 2 cylinder up to 6 cylinder.

Lister Engine | eBay

Lister also built light trucks fitted with their engines, for use around factories. From 1926 to 1968 they built light narrow gauge railway locomotives, weighing as little as 1½ tons, typically used by small brickworks and on peat bogs. The locos were often characterised by a total lack of bodywork; sometimes they had the luxury of an all over roof supported by four corner posts.

Lister Type - Vidhata India

I have discussed RPMs and the need to keep the Lister at rated RPM with a number of people in the old engine crowd. There is total agreement that you don't overspeed these engines just for the fun of it. You don't do it for liability reasons alone, but most folks have found the Listeroids to run happily at less RPMs than the rated speed.

Listeroids - UtterPower.com

Almost all Lister and Lister-Petter engines were produced in numerous guises and specifications, with differing engine rotations, power take offs and ancillaries, all of which can lead to different appearances of the same engine model.
