SimCity is the fifth installment within the SimCity series. The game had a rough start and some bad PR, following a particularly bad year for EA. But, they moved through the rough and the servers are running smoothly now. There are still many bugs, and criticism, but that doesn't discourage many buyers.

3. Search for Overlapping Buildings . I read in the official SimCity strategy guide that a community college and a university are both important, but don't really need to be active at the same time. If you start early with a community college (To raise your industrial tech level to 2) but later go with the University (Tech Level 3) you can turn off the community college.
