By Jeff Gillis Have you ever gotten a question like this in an interview? It's becoming a fairly popular question to ask, and while it might seem like this question has very little to do (if anything) with the job you're interviewing for, there's a very good reason why the interviewer is asking it. That...Continue Reading →

Anne is working at her desk. While she is directly aware only of her immediate situation — her being seated in front of her computer, the music playing in the background, the sound of her husband's voice on the phone in the next room, and so on — she is quite certain that this situation is only part of a series of increasingly more inclusive, albeit less immediate, situations: the ...
